- Docket **2021-88-E** - Dominion Energy South Carolina, Incorporated's 2021  
      Avoided Cost Proceeding Pursuant to S.C. Code Ann. Section 58-41-20(A)

Ms. Boyd:

I write on behalf of the Carolinas Clean Energy Business Association ("CCEBA"), which has been granted Intervenor status in the above-referenced Docket.

Please reference my Request on behalf of CCEBA, which was e-filed and served in this Docket, last Thursday, May 27, 2021. Our Request is simply a Request for Clarification/Confirmation concerning this Commission's Order No. 2021-384, also issued in this Docket. Specifically, CCEBA Request was for this Commission's Clarification/Confirmation concerning whether Order No. 2021-383, was intended to cover the subject of a proposed integration charge and any proposed mitigation protocol for the avoidance of an integration charge.

As you know, the Commission has a special called Business Meeting for Wednesday, June 2, 2021, at 1:00 pm. Because this Request is made more than 24 hours before that Meeting, CCEBA respectfully request that CCEBA's Request for Clarification/Confirmation, be added to tomorrow's Agenda, as a Supplemental Item. Obviously, CCEBA is not requesting any new relief, but is simply requesting Clarification/Confirmation.

Respectfully Submitted,

/s/Richard L. Whitt,  
Richard L. Whitt,  
*As Counsel to the Carolinas Clean Energy Business  
Association.*
